ANNUAL MEETING OF STOCKHOLDERS

November 22, 2016

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Auburn Bancorp, Inc. (the “Company”) to be used at the Annual Meeting of Stockholders of the Company (the “Annual Meeting”), which will be held at the Auburn Public Library at 49 Spring Street in Auburn, Maine, at 3:45 p.m., Maine time, on Tuesday, November 22, 2016, and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Stockholders, the Proxy Card and this Proxy Statement are first being mailed to stockholders on or about October 21, 2016.

REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. **Where no instructions are indicated, validly executed proxies will be voted “FOR” the proposals set forth in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by such proxies on such matters in such manner as shall be determined by a majority of the Board of Directors.**

A proxy may be revoked at any time prior to its exercise by sending written notice of revocation to the Secretary of the Company at the address shown above, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting. The presence at the Annual Meeting of any stockholder who had returned a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

VOTING PROCEDURES AND METHODS OF COUNTING VOTES

Holders of record of the Company’s common stock, par value \$0.01 per share, as of the close of business on September 30, 2016 (the “Record Date”) are entitled to one vote for each share then held. As of the Record Date, the Company had 503,284 shares of common stock issued and outstanding, 276,806 of which were held by Auburn Bancorp, MHC (the “Mutual Holding Company”), and 226,478 of which were held by stockholders other than the Mutual Holding Company (“Minority Stockholders”). The presence in person or by proxy of a majority of the total number of shares of common stock outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies. However, the presence of the Mutual Holding Company’s shares will assure a quorum is present at the Annual Meeting.

As to the election of directors, the Proxy Card being provided by the Board of Directors enables a stockholder to vote FOR the election of the two nominees proposed by the Board of Directors, to WITHHOLD AUTHORITY to vote for the nominees being proposed or to vote FOR ALL EXCEPT one or more of the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes or

proxies as to which authority to vote for the nominees being proposed is withheld. Plurality means that individuals who receive the largest number of votes cast are elected, up to the maximum number of directors to be elected at the Annual Meeting.

As to the ratification of Berry Dunn as the Company's independent registered public accounting firm, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on the ratification. The ratification of this matter shall be determined by a majority of the votes cast, without regard to broker non-votes or proxies marked ABSTAIN.

Management of the Company anticipates that the Mutual Holding Company, the majority stockholder of the Company, will vote all of its shares in favor of the matters set forth above. If the Mutual Holding Company votes all of its shares in favor of the election of the four nominees proposed by the Board of Directors and in favor of the ratification of Berry Dunn as the Company's independent registered public accounting firm, the approval of each of these proposals would be assured.

Proxies solicited hereby will be returned to the Company and will be tabulated by an Inspector of Election designated by the Board of Directors of the Company.

At this time, the Board of Directors knows of no reason why any of the nominees would be unable to serve if elected. Bonus Plan

The Bank maintains an incentive program to reward employees when the Bank meets or exceeds the performance criteria determined annually by the Board of Directors. All employees who have satisfactorily completed one year of employment and who were in the employ of the Bank as of fiscal year-end are eligible to participate in the performance bonus system. Incentive payments are paid at the discretion of the Board of Directors. The Board of Directors may, at any time, vote to suspend or amend the incentive program if they feel it is necessary for the prudent operation of the Bank to do so. A bonus was paid for fiscal 2016 of \$5,000.

Benefit Plans

401(k) Plan. The Bank maintains the Auburn Savings & Loan 401(k) Plan, which is a tax-qualified profit sharing plan (including a tax-exempt trust in which plan assets are held) with a salary deferral feature under Section 401(k) of the Code (the “401(k) Plan”). All employees (excluding non-resident aliens and certain union employees) who have attained age 21 and have completed three months of employment are eligible to participate. Under the 401(k) Plan, participants are permitted to make salary reduction contributions in any amount from a minimum of 2% to a maximum of 15% of covered compensation. For these purposes, “covered compensation” consists of wages reported on federal income tax form W-2, with all pre-tax contributions added, subject to the annual limits imposed under the Internal Revenue Code. The Bank may make matching contributions with respect to a plan year in an amount determined by the Bank in its discretion, subject to the annual limits imposed by the Internal Revenue Code. Employer matching contributions vest at a rate of 20% per year and are fully vested after five years. All employee contributions and earnings thereon are fully and immediately vested. A participant may request withdrawal of salary reduction contributions (and associated earnings) in the event the participant suffers a financial hardship. The 401(k) Plan permits loans to participants, subject to the limits and security requirements imposed by the Internal Revenue Code. The 401(k) Plan permits employees to direct the investment of their own accounts into the various investment options available under the 401(k) Plan. Participants are entitled to benefit payments upon termination of employment, including termination due to normal retirement, disability or death. Benefits will be distributed in the form of lump sum.

Employee Stock Ownership Plan. The Bank maintains an employee stock ownership plan for eligible employees of the Bank. Eligible employees who have attained age 21 and have been employed by us for three months on August 15, 2008 are eligible to participate in the plan. Thereafter, new employees of the Bank who have attained age 21 and completed 1,000 hours of service during a continuous 12-month period will be eligible to participate in the employee stock ownership plan as of the first entry date following completion of the plan’s eligibility requirements.

The Bank’s Board of Directors will administer the employee stock ownership plan and has appointed the members of the Management Committee of the Company, as constituted from time to time, to serve as the trustees of the employee stock ownership plan. The employee stock ownership plan purchased 17,262 shares of common stock in the Company’s initial stock offering, equal to 3.43% of the shares of common stock sold in the stock offering. The employee stock ownership plan funded its purchase in the stock offering through a loan from the Company. The loan was equal to \$172,620, 100% of the aggregate purchase price of the common stock. The loan to the employee stock ownership plan will be repaid principally from the Bank’s contributions to the employee stock ownership plan and dividends payable, if any, on common stock held by the employee stock ownership plan over the fifteen-year term of the loan. The interest rate for the employee stock ownership plan loan is 5.0% per annum.

Shares purchased by the employee stock ownership plan with the proceeds of the employee stock ownership plan loan will be held in a suspense account and released on a pro rata basis as the loan is repaid. Shares released from the suspense account will be allocated among participants on the basis of each participant’s proportional share of compensation.

Participants will vest in the benefits allocated under the employee stock ownership plan at a rate of 20% per year for each year of continuous service with the Bank over a five-year period, with credit given to participants for years of service with the Bank prior to the adoption of the plan. A participant will become fully vested at retirement, upon death or disability or upon termination of the employee stock ownership plan. Benefits are generally distributable upon a participant’s separation from service. Any unvested shares that are forfeited upon a participant’s termination of employment will be reallocated among the remaining plan participants.

Plan participants will be entitled to direct the plan trustees on how to vote common stock credited to their accounts. The trustees will vote allocated shares held in the employee stock ownership plan as instructed by the plan participants and unallocated shares and allocated shares for which no instructions are received will be voted in the same ratio on any matter as those shares for which instructions are given, subject to the fiduciary responsibilities of the trustees.

Under applicable accounting requirements, compensation expenses for a leveraged employee stock ownership plan is recorded at the fair market value of the employee stock ownership plan shares when committed to be released to participants accounts.

The employee stock ownership plan is intended to meet the requirements of Section 401(a) of the Internal Revenue Code as an employee stock ownership plan within the meaning of Section 4975(e) and to satisfy the applicable requirements of the Employee Retirement Income Security Act of 1974, as amended. We intend to request a favorable determination letter from the Internal Revenue Service regarding the tax-qualified status of the employee stock ownership plan. We have requested a favorable determination letter from the Internal Revenue Service regarding the tax-qualified status of the employee stock ownership plan. We expect, but cannot guarantee, that a favorable determination letter will be received.

As of June 30, 2016, other than the employee stock ownership plan, the Company had no compensation plans under which equity securities of Auburn Bancorp, Inc. had been issued.

Related Party Transactions

The Company complies with and operates in a manner consistent with legislation regulating extensions of credit to or for the benefit of its directors and executive officers, such that any such extensions of credit (i) are made on terms that are substantially the same as, and follow credit underwriting procedures that are not less stringent than, those prevailing for comparable transactions with persons unaffiliated with the Company or the Bank and that do not involve more than the normal risk of repayment or present other unfavorable features, and (ii) do not exceed certain limitations on the amount of credit extended to such persons, individually and in the aggregate, which limits are based, in part, on the amount of the Bank's capital. In addition, extensions of credit in excess of certain limits must be approved by the Bank's Board of Directors.

The aggregate amount of loans by the Bank to its executive officers and directors, and members of their immediate families, was \$363,150 at June 30, 2016. As of that date, these loans were performing according to their original terms. The outstanding loans made to our directors and executive officers, and members of their immediate families, were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank, and did not involve more than the normal risk of collectability or present other unfavorable features. Each loan was ratified by a majority of the Bank's independent directors who did not have an interest in the transactions.

PROPOSAL 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors of the Company has approved the engagement of Berry Dunn to be the Company's independent registered public accounting firm for the 2017 fiscal year, subject to the ratification of the engagement by the Company's stockholders at the 2016 Annual Meeting, as required by the Company's Bylaws.

The Board of Directors is submitting the selection of Berry Dunn as the Company's independent registered public accounting firm to the stockholders for ratification pursuant to the Company's bylaws and as a matter of good corporate practice. If the stockholders fail to ratify the selection of Berry Dunn, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its stockholders.

In order to ratify the selection of Berry Dunn as the independent registered public accounting firm for the 2017 fiscal year, the proposal must receive at least a majority of the votes cast "FOR" or "AGAINST", either in person or by proxy, in favor of such ratification.

The Board of Directors recommends a vote “FOR” the ratification of Berry Dunn, as independent registered public accounting firm for the 2017 fiscal year.
